Right Of Use Agreement

Cegid Eticadata

www.cegid.com

By purchasing this product and installing the software and databases that accompany it (software), the user or end customer accepts all the terms and conditions of this License Agreement. If you do not agree to the terms of this Right of Use Agreement, promptly return the product subject to that licence and all accompanying materials to the place you obtained them, for a full refund.

1. GRANT OF LICENCE

This Agreement authorizes the user or end customer to use the software in the number of computers specified in the licence, regardless of the use mode - temporary memory (RAM), hard disk, CD-ROM, or any other form. If the software was installed in a networked computer or network server, the user or end customer must take all necessary measures for the software to be used only in the number of workstations specified in the licence, and to ensure that those workstations are directly linked to the same data server.

Statistical elements may be collected regarding to the Software and features used, which shall be processed for the purposes of enhancing the user experience and product strategy, as well as take preventive measures in the event of any Software failure. The information collected in this regard may include, for example: (i) number of accesses to a given feature, (ii) number of records saved, (iii) Software licence code, as well as (iv) certain technical information (namely server name and location). Also in this context, note that only anonymous and/or anonymized data will be processed, notwithstanding the processing of the Software licence code. In addition, the information collected in this regard will be used only for the purposes described above, and will not be transmitted or disclosed to third parties.

The user or end customer will inform all potential users of the terms and conditions set forth in this Agreement.

2. MULTI-COMPANY

This Agreement authorizes the use of the software for the number of companies listed on the licence. However, the user or customer must have at least 50% of the share capital of each company indicated in the software, except when the user or customer uses the software for the purpose of providing Accounting or Management professional services.

3. COPYRIGHT

The copyright of the software belongs to Cegid and is protected by Portuguese copyright laws, and other applicable laws and treaties throughout the World. The user or end customer must use it like any other material protected by copyright (book, film, record, etc.). The reproduction or decoding of the databases included in the software is forbidden. It is also forbidden to copy, reproduce or transmit in any form the written documents accompanying the software.

4. ASSIGNMENT, TRANSFER OR MODIFICATION OF THE SOFTWARE

The temporary assignment or permanent transfer to a third party, lease, loan or any other similar activity, is forbidden without the express prior approval of Cegid. However, and when duly authorized, the user or end customer might transfer permanently the rights granted by this license if he also transfers the remaining material accompanying the software and provided that the buyer accepts the terms of this Agreement. It is forbidden to change the software in any way or the content of the databases that accompany it.

5. DOCUMENTS WITH EXTERNAL CONSEQUENCES ISSUED BY THE ERP CEGID ETICADATA

[Invoice, invoice receipt, debit note, credit note, delivery note, etc.]

For countries where the tax law applies, the ERP Cegid Eticadata has a layout validation process, for documents with external consequences, which might be personalized, like the invoice, for example. In this process, a validation of the existence of the legal / tax relevant fields in the printing is performed. Any attempt or actual tampering of this process, that may compromise the presentation of this information, will be the user's sole responsibility.

6. LIMITED WARRANTY

Cegid warrants, for a period of ninety (90) days from the date of purchase, that the software will work if properly installed and running on the computer for which it was designed. If the software has any deficiency falling under the responsibility of Cegid, the only right of the user or end customer will be the return of the amount paid or, alternatively, according to the choice of Cegid, the removal of any deficiency (or the replacement of the software), subject to the terms of this Limited Warranty and the return of the product to Cegid, with a copy of the receipt. This Limited Warranty does not apply if the software's anomaly or defect was caused by accident, misuse or abuse. Any software replaced under the terms of this Limited Warranty will be warranted for the remainder of the original warranty period or for 30 (thirty) days, whichever is the longer.

7. SOLE WARRANTIES

Except for the Limited Warranty mentioned in 6, there are no other for the user or end customer, either implied or expressed, including, in particular, any implied warranty of merchantability and fitness for a particular purpose or specific objective, regarding the software and other documentation accompanying it. The Limited Warranty gives you specific rights and, therefore, under no circumstances Cegid could be held responsible or liable for any other damages, in particular, lost profits, consequential damages, business interruption, loss of information or data and other monetary losses, resulting from the use of the software. In any case, the full responsibility of Cegid underlying this Agreement will be limited to the purchase price paid for the software by the user or end customer.

8. APPLICABLE LAW AND JURISDICTION

This Agreement is governed by the laws of Portugal and any dispute arising from this Agreement shall be brought before the Courts and Tribunals of Braga, expressly waiving any other jurisdiction.

9. FINAL PROVISIONS

Cegid reserves the right to revise and make changes to the software without incurring any obligation to notify any person of such changes and revisions.
